ORDER:-

Andhra Pradesh being an Agrarian State, the Government primarily focuses on agriculture, allied sectors and farmers welfare. Availability of quality farm inputs and right advisories are very critical in improving the crop productivity and in reducing the cost of cultivation. In the era of technological advancement, the quality of services, speed in deliverables and precision in actions are possible by creating proper interface between farmers, scientists, extension officers, service providers etc and by bringing innovation/ sustainable interventions in agriculture and allied sectors.

2. A common platform to integrate different line functions is highly necessitated to excel and accelerate Government services qualitatively and quantitatively and to create fiscal discipline. With this context, the Government of AP has taken a right initiative by forming Rythu Bharosa Kendralu (RBKs) as a most novel, effective and efficient platform for knowledge dissemination and assimilation and to provide farmers with quality inputs and allied services.

3. The Government proposes to establish Rythu Bharosa Kendralu (RBKs) in all Grampanchayats having sizable agriculture & allied activity as a novel, effective, efficient and unified platform for knowledge dissemination and assimilation to provide farmers with quality inputs and allied services. RBKs will bridge the information and service delivery gaps in the State's Agriculture Sector by bringing all the Stakeholders of Agriculture & Allied Sectors into one single platform offering all the services to farmers by ensuring year round productivity, profitability and sustainability.

4. Government, after careful examination of the matter, hereby accord permission to the Special Commissioner of Agriculture, A.P., Guntur, for establishment of 11,158 Rythu Bharosa Kendralu (RBKs) in each Gram Panchayath Secretariat, at an estimated

[Contd...p.2]

cost of Rs.199.44 crores by April, 2020, to ensure supply of Quality Agricultural Inputs i.e., Seeds, Fertilizers, Pesticides & to provide latest technical knowledge to Farmers and approved as detailed below:-

Rythu Bharosa Kendralu

RBK shall be a One Stop Shop for supply of Government Certified Agri (Seeds, Fertilizers & Pesticides) & Allied Sectors Inputs to the farmers and shall have an attached Farmer Knowledge Center for giving scientific Advisories pertaining to Agriculture & Allied sectors to the farmers.

(i) Agri Input Shop

Agri Input Shop in RBK shall make available multi-brand Quality Agricultural inputs to farmers at right price, right time at their Village Secretariats. It is a Virtual Shop with a Digital Kiosk for taking orders from interested farmers. Model products shall be on display in these Virtual shops.

Objectives:

- To make available quality Agri inputs, farm implements, fish feed, cattle feed, fodder seed etc. to farmers at right price, right time at their villages backed by integrated advisory through Farmer Knowledge Center.
- To reduce duplicate and spurious products sale in market by allowing only sale of tested and certified products through Government Agri Input Shops.
- To bring good practices in the sales of farm inputs and to act as a benchmark to the dealers in the market.
- To channelize Government Schemes and create a reliable alternate channel for sale of quality farm inputs to the farmers.

The Agri Input Shop in RBK shall operate in a Hub and Spoke model. Hubs to run as Godowns for stocking inventory, manage sale proceeds, logistics etc. and spokes to run as Virtual Retail Stores.

A Digital Kiosk will be made available in each RBK for orders to be placed by farmers. Farmer will place an order for Inputs in the Kiosk machine at RBK in their villages. Order will be mapped to designated Hub and the ware-house dispatch process will be initiated at Hub level. Orders received shall be delivered at RBK (Spoke) in village within 48 -72 hours or otherwise as indicated at the time of placement of an order.

(ii) Farmer Knowledge Center:

It is a training center, where Agriculture & Allied Sector Officials & Scientists will provide latest and low cost technologies to farmers. Audio Visual Aids, Mini Soil Testing Lab., Method Demonstrations, Library etc., shall be part of Farmer Knowledge Center.

Objectives:

- To build capacity of farmers through classroom and field trainings and demonstrations on best practices and new technologies for adoption.
- To create farmers interface with Scientists and Extension Staff of Agriculture & Allied Departments.
- To act as single point of contact for information about latest technologies, Government Schemes etc.
- To maintain database of farmers in a village with details of land extent, crops grown, livestock details etc.
- To organize farm demonstrations of organic agriculture practices.
- To promote optimum utilization of farm input through soil test based nutrient management.
- To leverage the benefits of technology in farming through access to right information to farmers helping them to take more informed decisions, optimize cost and increase farm productivity and income.

(iii) Nodal Agency:

- a. The AP State Agro Industries Development Corporation Ltd. (AP Agros) shall act as Nodal Agency to carry out all operations of the Agri Input Shops in RBKs, including the revenue drivers, supply chain management, financial handling and profit & loss handling etc.
