The issue of the Tender Document does not imply that the Bid Inviting Authority is bound to appoint the Successful Bidder as the Insurer, as the case may be, and the Bid Inviting Authority reserves the right to reject all or any of the Bidders or Bids or not to award the Contract for the implementation of Dr YSR Free Crop Insurance-Pradhan Mantri Fasal Bima Yojana (DrYSRFCI-PMFBY) in the State without assigning any reasons what so ever.

Each Bidder shall bear all its costs associated with or relating to the preparation and submission of its Bid including but not limited to preparation, copying, postage, delivery fees, expenses affiliated with any demonstrations or presentations which may be required by the Bid Inviting Authority or any other costs incurred in connection with or relating to its Bid. All such costs and expenses will be borne by the Bidders and the Bid Inviting Authority and its employees and advisors shall not be liable in any manner whatsoever for the same or for any other costs or other expenses incurred by any Bidder in preparation or submission of its Bid, regardless of the conduct or outcome of the Bidding Process.

In case any difference is found in interpretation or reference of terms & conditions and various provisions as mentioned in the Tender document, the terms & conditions and provisions of Operational Guidelines will be final and binding in all situations to all stake holders.

Bid conditions have been made available in the Tender Document.

Section-I Introduction

The Pradhan Mantri Fasal Bima Yojana (PMFBY) is the flagship crop insurance scheme launched by Govt. of India in 2016 as per the operational guidelines and instructions issued by the DAC&FW, GoI from time to time.

With a view to ensuring universal coverage of notified crops under the Crop Insurance scheme without any premium burden on the Farmers and separate registration, the Government of Andhra Pradesh introduced Dr. YSR Free Crop Insurance (Dr.YSRFCI) and successfully implemented the scheme.

The Govt of AP is now jointly implementing the scheme with the GOI from 2022-23 onwards with nomenclature as Dr YSRFCI-PMFBY.

All instructions issued by the DAC&FW, GoI, and Govt of Andhra Pradesh will become applicable during the tender period.

Dr YSRFCI-PMFBY is an index-based insurance scheme. The financial loss of a farmer growing notified crops in notified areas is calculated under Dr YSRFCI-PMFBY-(Yield Based) by comparing the Actual Yield of the crop for a season against pre-defined historical Average Yield Index values.

All farmers growing the notified crops in notified areas captured through the e-crop (an android application for capturing crop details) are eligible for coverage. Farmers need not pay any premium and the State Govt will also pay the Farmer's share along with the premium subsidy by the State Govt.

State Govt selects the Insurance Company for implementation of the scheme through competitive bidding. Selected Insurance Company is responsible for payment of claim compensation to the affected farmers based on the claim settlement protocol defined in the operational guidelines of the scheme.

All the Stakeholders including State Govt., Farmers, Insurance Companies, and District Administration are liable to perform their roles and duties as defined in operational guidelines and the instructions issued/to be issued in future by DAC&FW, GoI regarding implementation of Revamped PMFBY.

1. Enrollment of Farmers:

All the farmers growing notified crops in the notified areas, whose details are captured through e-crop are eligible for coverage. There is no separate enrolment. The e-crop data from e-crop portal will be transmitted to the NCIP.

2. Period of Contract:

The period of Contract between Bid Inviting Authority and the selected Bidder shall be for 1 year. i.e., for 2023-24.

3. Coverage of Risks:

a. AP is implementing Universal coverage scheme with no frills. Only the Basic cover is covered and all claims based on the final yield estimates on CCEs to be settled. No add on cover like prevented sowings, Mid-season, Localised and post-harvest losses.

b. District-crops wise list of risks covered along with applicable Threshold Yield (TY), Normal Sowing and Harvesting dates is given in [Annexure-A](#).

4. Coverage Limit/Sum Insured value of Crop:

a. Sum Insured per Hectare of notified crop has been fixed based on scale of Finance and approved by the SLCCCI.

b. List of notified crops along with per hectare Sum Insured value has been given in [Annexure-B](#).

5. Notification of Crops, TY:

a. Details of Notified Automatic Weather Stations/Automatic Rain Gauges have been provided in [Annexure-C](#)

b. Year wise historical Actual Yield (AY) data for each notified crop at proposed IU level for past 10 years for Kharif season and 9 Years for Rabi season was already provided to the GOI for hosting into NCIP. The same has been given in [Annexure-D](#)

c. Year wise, Crop-wise, IU level wise historical Coverage for last 1 year (including immediately preceding season/year) has been given in [Annexure-E](#)

d. List of Irrigated and Rainfed districts has been given in [Annexure-F](#)

e. Cluster wise list of districts has been given in [Annexure-G](#)

f. Crop-wise nomenclature of yield being collated and reported along with the conversion factor between the two nomenclatures is provided in [Annexure-H](#)

g. State reserves the right to include or exclude crops and /or IUs from the notified list subject to such inclusion/exclusion remains <10% of the total insured cropped area/ total number of IUs.

6. Calculation of Threshold Yield:

Fixed Threshold Yield (TY), as derived from the best 5 of the immediate last 7 years crop yield data and notified indemnity level, will remain unchanged for entire contract period.

7. Publicity and Awareness:

a) Publicity needs to be given in all the villages of the notified districts/areas to complete E-crop registration which is the base data for crop insurance.

- b) As per guidelines, the Insurance company should spend 0.5% of the total gross premium for publicity expenses at the field level and the corresponding details should be submitted to Central Govt. and State Govt./ Nodal Department at the end of every season. In case of expenditure in this category is less than 0.5% of Total Gross Premium, the IC shall deposit the difference in Technology fund with in 3months of cut-off date for enrolment. Since the AP is implementing an unique model, the publicity expenditure earmarked to State i.e., 0.25% of the Gross premium need to be deposited to the Bank Account (IEC Activities exclusively) of the State Agriculture Department for optimum utilization of publicity expenditure.
- c) Insurance Company will ensure District and Block/Tehsil/Taluka or equivalent level contact centers manned by a regular manpower for day-to-day interaction and capacity building of farmers and other stakeholders including banks and district administration. However, the insurance company representatives have been permitted to use RBK premises temporarily for creating awareness about the Crop Insurance scheme and the importance of e-crop. The usage of RBK by the ICs shall only be restricted for implementation of Crop Insurance scheme only.
- d) Insurance company will submit list manpower deployed on field at district, sub-district and below within 1 month from receiving Notification of Award.

8. Premium Rates & Subsidy Premium:

- a. The Actuarial Premium Rate (APR) would be charged by implementing Insurance Company. The difference between APR and Farmer's share will be shared by the Central Govt.& State Govt. on 50:50 basis, subject to maximum liability of Central Govt. up to 30% APR for Rainfed Areas and 25% APR for Irrigated areas.
- b. For the purpose of categorization of Districts between Rainfed and Irrigated, districts having 50% or more irrigated area have been categorized as Irrigated.
- c. Farmer's premium will be maximum of 1.5% for rabi season, 2% for Kharif season and 5% for commercial crops. All farmers growing notified crops in the notified areas and details captured through e-crop are eligible for coverage and they would be titled for subsidy on the Actuarial Premium. The State will also pay the Farmer's share premium.
- d. The evaluation of bid will necessarily be done based on weighted average premium rate quoted for each crop based on coverage area of last corresponding seasons.
- e. The Bids to be submitted through online. The Bid will be evaluated and if the premium rates of crops are higher than 30% for unirrigated and 25% for irrigated areas, then State Government will take decision either to notify these crops by additional subsidy support by concerned State Government or not to notify these crops.

9. Goods & Service Tax:

No Premium is payable by the farmer. However, the premium under the scheme (PMFBY) is exempted from applicability of Goods and Service Tax until the same is reviewed by the competent authority of Govt. of India

10. Seasonality Discipline:

The completed e-crop data will be uploaded into NCIP at regular intervals keeping a maximum cap up to 31st October 2023 for Kharif 2023 and before 31st March 2024 for Rabi 2023-24. (prior to the harvest schedule)

11. Assessment of Yield Loss:

Wide Spread Calamities (based on season-end yield): The Scheme operates on the basis of 'Area Approach' i.e., Defined Areas for each notified crop for widespread calamities and insurance unit is Village or any other equivalent unit for major crops and for other crops it may be the same unit or a unit of size higher than Village, i.e., Mandal or at District level.

12. Assessment of Payable Claims:

12.1: Wide-Spread Calamities

a. If 'Actual Yield'(AY) per hectare of insured crop for the insurance unit (calculated on basis of requisite number of CCEs) in insured season, falls short of specified 'Threshold Yield' (TY), all insured farmers growing that crop in the defined area are deemed to have suffered shortfall of similar magnitude in yield. DrYSRFCI-PMFBY seeks to provide coverage against such contingency.

'Claim' shall be calculated at IU level as per the following formula:

$$\frac{(\text{Threshold Yield} - \text{Actual Yield})}{\text{Threshold Yield}} \times \text{Sum Insured}$$

Where Threshold Yield (TY) for a crop in a notified insurance unit is the average yield of best 5years from past seven years of that season multiplied by applicable Indemnity Level for that crop.

12.2: Add-on/Additional Coverage:

Only Claims arising out of Final yield estimates arrived through CCEs notified for coverage. No other Add-on/Addl Coverage notified.

13. Claim liability and settlement procedure:

a. Insurance Company shall take appropriate re-insurance support for their portfolio in order to safeguard insured's interest. Insurer will be solely responsible for settlement of all admissible claims to the farmers.

b. All payable claims under the scheme will be settled in accordance with the corresponding provisions contained in Operational Guidelines of PMFBY.

14. Payment of Administrative Expenses:

2% on probable farmer premium (details mentioned in Bid conditions & Annexure-K) within 15 days from the date of porting of final data into NCIP.

15. Monitoring and Review of Implementation:

Insurance Companies will ensure effective implementation of the scheme as per provisions given in the Operational Guidelines of PMFBY and share the data as desired by State Government from time to time.

16. Grievance Redressal Mechanism:

Insurance Companies will ensure robust grievance and dispute redressal mechanism for effective implementation of the scheme as per provisions given in the Operational Guidelines of PMFBY and share the data as desired by State Government from time to time.

17. Roles & Responsibility of Stakeholders:

Roles and responsibilities as defined in the Operational Guidelines of PMFBY for each stakeholder will be applicable. Call center will also be designated to register the grievances and after due docketing same will be forwarded to the concerned stakeholder for disposal.

18. Performance Evaluation of Insurance Company:

The performance of the empaneled Insurance Companies will be monitored as per the detailed performance evaluation matrix containing key performance indicators with assigned weightage given in the Operational Guidelines of PMFBY/RWBCIS.

19. Penal Provision:

Selected ICs have to follow the seasonality discipline and provision of Operational Guidelines and instructions issued by the Govt from time to time to ensure benefit of the Scheme is reached within stipulated time lines. Non adherence of the guidelines and cut-off dates should attract penalty as envisaged in the Operational Guidelines.

20. Important Bid conditions:

- a. The scheme shall be implemented as per the Revamped Operational Guidelines (ROG) issued by the Government of India. Any clarifications, notifications and circulars etc. issued from time to time by the GOI and Government of Andhra Pradesh shall always be binding on all empanelled General Insurance Companies. The ICs should honor as and when any addendum / corrigendum is issued by the State Govt in exceptional cases.
- b. In case any difference is found in interpretation or reference of terms & conditions and various provisions as mentioned in the Tender document, the terms & conditions and provisions of Operational Guidelines will be final and binding in all situations to all stakeholders.
- c. The Estimated Sum Insured arrived and shown in Bid is only for the purpose of calculating weighted premium. This is only indicative and the same will be used for evaluating L1 bidder. The enrolment depends on the actual e-crop booking. The State Government gives no guarantee that the final coverage would be as per provided figures. Insurance Companies are bound to honour the final coverage irrespective of whether coverage is more or less compared to the given figures.

d. The enrolment is purely based on e-crop booking. Hence, ICs shall not open any other independent channel for enrolment. The completed e-crop data will be uploaded into National Crop Insurance Portal (NCIP) at regular intervals keeping a maximum cap up to 31st October 2023 for Kharif 2023 & 31st March 2024 for Rabi 2023-24. Once, work order issued, the ICs have right to verify the application and any discrepancy noticed regarding Crop, extent etc and can electronically revert to the concerned Rythu Bharosa Kendram (RBK) for rectification through e-crop portal. After a reasonable time, to be consulted with the State Govt, such applications can be rejected through portal with proper justification. It shall not be open for the insurance company to take a stand independently without consent of the State Govt & GOI. The e-crop data will be the final data for coverage and there shall not be any separate enrolment by the ICs.

e. The intention of the Govt is to settle the claims before commencement of same season next year. Hence, based on the Yield and Weather data available, the Insurance Companies prepare themselves to settle claims of Kharif 2023 between June 1st to 15th 2024. Similarly, Rabi 2023-24 claims to be settled between 1st October to 15th October 2024 (or) on the date indicated by the State Govt. The claim for the remaining crops, where data is incomplete if any, shall also be paid on the date indicated by the State Govt.

f. In AP, there is no separate enrolment and the ICs need not to pay any amount towards the service charges to the financial institutions and hence reduce the premium load accordingly. The Administrative expenses including Labour charges for conduct of CCEs, Manpower, software support by the NIC for collection of e-crop data and integration with NCIP etc needs to be borne by the Implementing agencies (Keeping a provision of 2% probable farmers share of Premium) as per the financial implications approved by the SLCCCI (Rs.17.72 Cr for 2023-24) and the same shall be deposited with the Agriculture Department. Season wise details are mentioned in the **Annexure-K**.

g. Once work order was issued by the State Govt, the Insurance Company to deploy adequate man power in the allotted cluster. As the Crop Insurance scheme is being implemented RBK centric, the personnel allotted can use the RBK premises which also helps to reduce the overhead cost and hence the premium quote can also be reduced. The insurance company shall get prior approval from State Government before giving any communication (SMS/Policy letter etc) to the farmers directly. As per guidelines, the insurance companies need to spend 0.25% of the Gross premium on Publicity at State Level. For optimum utilization of available funds, the expenditure will be met by the State Govt only.

h. Bidding has to be done depending on the scientific analysis of risk profile, burn cost for the proposed crop(s) in district(s) of any cluster. For any abnormal premium quote, the Insurance Companies needs to provide the details of methodology adapted to arrive at the Actuarial premium rates for the district crop combination quoted by them to the State Govt. If the pricing is abnormally high for any cluster, then the State Govt will exercise option of going for re- tender.

i. Minimum number of pickings for Red chillies under Dr YSRFCI-PMFBY defined as follows:

Statement showing the minimum number of pickings required for assessment of Yield (Yield based)			
Season	Crop Name	Districts	Minimum number of pickings
Kharif 2023	Red Chillies	Prakasam, Kurnool, Ananthapuram, Guntur, Bapatla, Palnadu, NTR and Nandyal	3
Rabi 23-24	Red Chillies	Prakasam	4

j. Crop/ Insurance unit wise Actual Yield data (AY) data will be provided by the Directorate of Economics & Statistics (based on the Crop Cutting Experiments through random sampling method) and the same will be the final data for settlement of claims. The Horticulture Department will provide Yield data for Horticulture crops notified under PMFBY- Yield based (for which data is not being provided by the DES). To ensure transparency, the ICs can co-observe the conduct of CCEs, capture the process and also allowed to obtain joint signatures of the Primary worker, Supervisory Officer, Farmer present in the CCE site. At later date, the ICs not permitted to audit the authenticity of the AY data and to seek any additional information like CCE plot wise yields/ picking wise details etc before settlement of claims. However, the yield data of CCEs conducted if any, prior to issue of work order will be provided separately by the Directorate of Economics and Statistics and such demand shall be raised, within 15 days after issue of Notification. All measures shall be taken to record yields through CCE-app linked to NCIP. In cases, where such recording is not feasible/couldn't be done, the data provided by the DES shall be considered for yield calculation.

k. Similarly, the claims under Restructured Weather Based Crop Insurance Scheme (R.W.B.C.I.S) shall be settled on the basis of the weather data furnished by the APSDPS only. For all crops notified under RWBCIS, the weather data at Mandal level will be provided by the APSDPS. Charges if any for the weather data in the risk period to be borne by the L1 bidder only.

l. The claim settlement under DrYSRFCI-PMFBY will be based on Aadhar Enabled Payment System (AEPS) only. For any failed AEPS payments, the state Govt. will provide bank details of farmers to enable settlement of pending claims if necessary.

m. **YES-Tech:** As mandated by the GOI, YES-Tech is to be implemented on the Paddy crop giving a minimum weightage of 35% to Yield estimate derived at IU level using Satellite Technology and the same will be implemented in **Cluster No.IX comprising Kakinada and Guntur Districts during 2023-24.** The Space Application Centre, Ahmedabad has been selected as Mentor agency & AP Space Application Centre (APSAC), Vijayawada will act as Technology Implementation Partner (TIP) and **Semi Physical Model** will be adopted for implementation of YES Tech. All the Guidelines as per YES-Tech Manual will be applicable for implementation during 2023-24.

Section-II

Description of Bidding Process

As part of the Bidding Process, Bidders are required to submit a single Bid consisting of two parts:

- a. The Technical Bid–Bid Application Letter and other Supporting Documents.
- b. The Financial Bid.

The evaluation of bids will be carried out in two stages:

1. The First stage will involve the evaluation of the responsiveness of the Bid Application Letters submitted by the Bidders. Only those Bidders that have submitted substantially responsive Bid Application Letters will be notified as being Qualified Bidders and will be qualified to have their financial bids opened and evaluated in the second stage.
2. The Second Stage will involve the evaluation of Financial Bids of the Qualified Bidders to determine the Successful Bidder for the award of the Insurance Contract.
 - a) The bidder shall comply with the all the terms and condition of this tender document unconditionally.
 - b) The Bids must be valid for a period of not less than 60 days from the Bid Due Date (excluding the Bid Due Date).
 - c) The Bid Inviting Authority will receive Bids pursuant to the Tender Document and all Bids are required to be prepared and submitted in accordance with the terms of this Tender Document, on or before the Bid Due Date.
 - d) Only those Bidders that are in agreement with the terms of the Tender Documents are invited to participate in the Bidding Process. If any Bidder seeks any deviations to the terms of the Tender Documents or includes any conditions in its Bid, such Bidder shall be disqualified. Hence, all Bidders are requested to go through the Tender Documents carefully and submit their Bids in the formats prescribed in the Tender Documents, only if they unconditionally agree with all the terms and conditions as specified in this tender document.

Important Note: For this purpose, all Bidders are requested to review and fully familiarize themselves with the Tender Document issued by the Bid Inviting Authority. Ignorance of or failure to review the terms of the Tender Documents (including Bid submission formats) will not be accepted as an excuse for any deviations taken or conditions included by any Bidder in its Bid.

- e) The Bid Inviting Authority may make available additional information to the Bidders to facilitate the Bidders' due diligence in respect of the insurance cover as and when available with the Bid Inviting Authority, including claims data and historical coverage information.

- f) It will be assumed that the Bidders have undertaken their own independent due diligence and an independent analysis of all the risk factors that will or that are likely to affect the Premium quoted by them. Such risk factors that the Bidders may consider are : the scope of the cover, the number of farmers in the State, the local and geographical conditions, the enrolments and claims in the previous years, the number of localized intimations reported, the profile of calamities, information on estimated crop yield, availability of service providers, the previous claims experience, the average loss cost, the proposed additional coverages and weather parameters and the rights and obligations of the Insurer under the Insurance Contract.
- g) The Bidders will be deemed to have full knowledge of the Cover, the terms and conditions of the Insurance Contract, whether or not they have undertaken any investigations or studies.
- h) The Successful Bidder will not be permitted to seek a change in the Premium on the basis of the information provided to it as part of the Tender Documents or its failure to undertake it independent investigations or studies or a breach of any of the assumptions taken by it in its Bid, whether after the Bid Due Date or after the execution of the Insurance Contract, except as expressly permitted in this Tender Document or in the Insurance Contract.
- i) Bidders are required to quote the Crop-wise District-wise Actuarial Premium Rates for providing the Insurance Cover in their Financial Bids.
- j) The Premium quoted by the Bidder shall be the rate of premium payable up to 2 decimal points and shall be exclusive of Goods and Service Tax. However, if any bidder quotes beyond 2 decimal points, the calculation of weighted average premium will be limited to 2 decimal points only.
- k) The Bidders must take into account all risks, costs, liabilities, fees and expenses likely to be incurred in relation to the provision of the insurance services for implementation of the scheme.
- l) **The ICs should bid for 3 models compulsorily when they are bidding for a cluster.**
- | | |
|---------------|---|
| Model No.I. | Risk transfer model (traditional PMFBY) |
| Model No. II. | Alternative risk management –
Cup & Cap model 80-110 |
| Model No.III: | Alternative risk management-
Cup & Cap model 60-130 |

The successful bidder for every cluster shall be decided based on the model chosen for a cluster. **The choosing of a model for a cluster is the discretion of State Govt based on its evaluation.**

m) SLCCCI given approval for 9 clusters under Yield based and 6 clusters under weather-based crop insurance scheme. Accordingly, a total of 15 bids are to be issued (9 Yield based + 6 Weather Based) for selection of L1 against each cluster/bid.

For fostering a competitive environment, it was decided to restrict the allocation of a maximum of 3 clusters per insurance company with a goal to promote competition. This rotation policy prevents the same company from being awarded work orders for all/many clusters. This also allows different companies to have a fair chance to participate and win contracts and the State will also get reasonable quote. The ultimate goal should be to select the most qualified and competent company for each cluster while maintaining a competitive environment.

n) The procedure of selection: “Each insurance company participating in the tender will get allocation of maximum of 3 clusters under Yield based and Weather Based separately. After opening of financial bid of all the 9 clusters, In case any company is L1 in more than maximum limit of three clusters then that particular company will get allocation of three clusters which are having lowest weighted average premium rate among all the clusters and remaining clusters where that particular company is L1 will not get any further allocation of clusters and L2 company/companies will be asked for their consent on matching L1 premium rate to allocate cluster’s. If L2 company do not agree to match L1 premium rates, then L3 company will be asked for their consent to match L1 premium rates. If L3 company does not agree to match L1 premium rates, then in that sequence L4- L18 will ask to match L1 premium rates.

In case any of the L2-L18 company is not agreeing to match the L1 premium rate, then that cluster shall be allotted to the original company who has proposed lowest weighted premium rate (L1) making an exception to the principle of allocation of maximum of 3 clusters per IC. Initially, cluster allocation will be done on the basis of maximum three clusters to each company. After that, the clusters which are pending for allocation will be allocated based on above mentioned process in the ascending order of cluster having lowest to highest weighted premium rate in the chosen model for the cluster”

Section-III
Instructions to Bidders

- a) The Tender Documents consist of the documents listed in the table of contents.
- b) The Bidders agree that the Bid Inviting Authority shall not be responsible for the completeness of the Tender Documents, if the Bidder does not obtain them in the manner prescribed in the Tender Notice.
- c) The Tender Documents must be read as a whole. If any Bidder finds any ambiguity or lack of clarity in the Tender Documents, the Bidder must inform the Bid Inviting Authority at the earliest. The Bid Inviting Authority will then direct the Bidders regarding the interpretation of the Tender Documents.
- d) Bidders are expected to review all instructions, forms, terms and specifications in the Tender Documents. Failure to furnish all information required by the Tender Document or submission of a Bid that is not substantially responsive to the Tender Document in every respect will be at the Bidder's risk and may result in rejection of the Bid.

Fraud and Corrupt Practices:

- a. The Bidder and its officers, employees, agents and advisers shall observe the highest standard of ethics during the Bidding Process. The Bid Inviting Authority shall reject a Bid without being liable in any manner whatsoever to the Bidder, if it determines that the Bidder has, directly or indirectly or through an agent, engaged in a corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice in the Bidding Process.
- b. Without prejudice to the rights of the Bid Inviting Authority, if a Bidder is found by the Bid Inviting Authority to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice during the Bidding Process, such Bidder shall not be eligible to participate in any tender or bid process conducted by the State Govt. or any of the other ministries, departments, state owned enterprises or undertakings of the Government or the Bid Inviting Authority for a period of 5 years from the date that such finding.

For the purpose of clarity, the following terms will have the meanings given to them below:

Corrupt practice means:

1. Offering, giving, receiving or soliciting, directly or indirectly, of value to influence the actions of any person connected with the Bidding Process. For the avoidance of doubt, offering of employment to, or employing, or engaging in any manner whatsoever, directly or indirectly, any official of the state or the Bid Inviting Authority who is or has been associated in any manner, directly or indirectly, with the Bidding Process or has dealt with matters concerning the Scheme or arising from it at any time prior to the expiry of 1 year from the date such official resigns or retires from or otherwise ceases to be in the service of the State or the Bid Inviting Authority, will be deemed to constitute influencing the actions of a Person connected with the Bidding Process; or

2. Engaging in any manner whatsoever, whether during the Bidding Process or before or after the execution of the Insurance Contract, as the case may be, any Person in respect of any matter relating to the scheme, the Bidding Process or the Insurance Contract, who at any time has been or is a legal, financial or technical advisor of the State or the Bid Inviting Authority on any matter concerning scheme.
3. Fraudulent practice means any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a person to obtain a financial or any other benefit or to avoid an obligation.
4. Coercive practice means impairing or harming, or threatening to impair or harm, directly or indirectly, any person or the property of the person to influence improperly the actions of a person.

Undesirable practice means:

1. Establishing contact with any person connected or employed or engaged by the Bid Inviting Authority or its advisors with the objective of canvassing, lobbying or in any manner influencing or attempting to influence the Bidding Process; or
2. Bidder having a Conflict of Interest. A Bidder shall be deemed to have a Conflict of interest, if:
 - a. Such Bidder or an Affiliate of such Bidder Controls, is Controlled by or is under common Control with any other Bidder or any Affiliate thereof; provided that this disqualification shall not apply if:
 - b. The person exercising Control is the GoI, a State government, other government company or entity controlled by a government, a bank, pension fund or a financial institution (other than another insurer, whether Indian or foreign); or
 - c. Any direct or indirect ownership interest in such other Bidder or Affiliate thereof is less than 26%.
 - d. Such Bidder or its Affiliate receives or provides any direct or indirect subsidy, grant, concessional loan, subordinated debt or other funded or non-funded financial assistance from or to any other Bidder or such other Bidder's Affiliate; or
 - e. Such Bidder has the same legal representative for purposes of this Bidding Process as any other Bidder; or

f. Such Bidder or its Affiliate has a relationship with another Bidder or such other Bidder's Affiliate, directly or through common third party or parties, that puts either or both of them in a position to have access to the others' information about, or to influence the Bid of either one or the Bids of each other.

3. Restrictive practice means forming a cartel or arriving at any understanding or arrangement amongst Bidders with the objective of restricting or manipulating full and fair competition in the Bidding Process.

Section-IV

Eligibility of Bidders

Qualification Criteria

Only those insurance companies which are registered with IRDAI and empanelled by the Ministry of Agriculture and Farmer's Welfare, Govt of India for implementation of the scheme shall be eligible to submit a Bid for award of the Contract for implementation of the scheme.

Section-V
Preparation and Submission of Bids

Cost of Bidding:

1. The Bidder shall bear all costs what so ever associated with the preparation of the Bid, carrying out its independent studies on the implementation of the scheme or verification of data provided by the Bid Inviting Authority. The Bid Inviting Authority shall not be responsible or liable for any costs, regardless of the outcome of the Bidding Process. Charges for online e-tender shall also to be borne by the Bidders and no refund shall be made to any bidder.

Language of Bid and Correspondence:

1. The Bid prepared by the Bidder and all correspondence and documents related to the Bid exchanged by the Bidder and the Bid Inviting Authority shall be in English only.

Validity of Bids:

1. Each Bid shall remain valid for a period of 60 days from the Bid Due Date (excluding the Bid Due Date).
2. In exceptional circumstances, the Bid Inviting Authority may extend the Bid validity period prior to the expiration of the Bid validity period. The request and the responses shall be made in writing. An extension of the Bid validity period will not entitle a Bidder to modify its Bid.

Number of Bids:

For each cluster, the Bidder needs to submit three Bids giving quote against each of the 3 models (PMFBY, 80-110 & 60-130 model).

Ex: For participation in Cluster No- I, the IC needs to submit 3 bids viz.,

Bid No.xxxxx01: Cluster No.I- Model No.1 - (Traditional PMFBY),

Bid No.xxxxx02: Cluster No.I- Model No.2 - Cup & Cap 80-110 Model,

Bid No.xxxxx03: Cluster No.I- Model No.3 - Cup & Cap 60-130 model.

For each bid, the Bid Application Letter, the Technical Bid and the Financial Bid needs to be submitted separately along with excel sheet. If a Bidder submits more than one Bid for any model in any particular cluster, then all such Bids submitted by the Bidder shall be rejected.

Bid Submission:

The Bidder shall submit the following documents as part of the Bid Application Letter submission:

Technical Bid:

1. Certified copy of latest registration/renewal License issued by IRDAI
2. Bid Application letter in prescribed format along with under taking from the bidder for unconditional acceptance of terms and conditions of the tender document and declaration for not having declared ineligible, insolvent, de-empanelled or expelled to implement the scheme as per Annexure-I.

Financial Bid:

1. The Bidder shall directly upload all-inclusive financial quote as its Financial Bid in the format set out in Annexure-J and/ or as per the online bid submission format of the procurement portal of the state. The online bid should be submitted on or before the time stipulated in Tender notice. The Bidder shall not include any other documents as part of the Financial Bid.
2. The Bidders are required to quote Crop-wise District-wise Actuarial Premium Rates for providing the Insurance Cover and this shall be inclusive of all costs, including cost of implementation expenses, IEC & BCC expenses, Manpower, overheads etc. as per the format specified as per Annexure J.
3. Premium quoted should be in percentage terms up to two decimal places.
4. **The Insurance companies shall mandatorily upload the excel format for each tender (separate excel sheet for the 3 models) where the weighted average premium will be auto calculated along with submission of Financial Bid online and the same should tally with the excel sheet uploaded. Any deviation will lead to disqualification. Thus, for participation in any cluster the IC need to submit 3 bids i.e., for Model No.1, Model No.2 and Model No.3 compulsorily as described earlier in this section.**

Signing of Bid:

Each Bid must be digitally signed by the authorized signatory of the Bidder.

Submission of Bids:

1. Bidder shall submit their Technical and Financial bids containing all requisite certificates/ undertaking and supporting documents online through e-procurement portal of the state <https://www.apecurement.gov.in/index.html> The documents submitted in this portal must be digitally signed and the documents should meet the specified file format stipulated in the guideline of e-Procurement website.
2. As a legal requirement, Class3 certificate (preferably with token) is required to access the e-procurement portal. Interested bidders shall need to procure both Signing and Encryption certificates. Signing certificate will be used for Logging in and Encryption certificate will be used for Bid submission. Bidders may approach a Certifying Authority in India for obtaining Digital Signature Certificates, details of which can be accessed from the Controller of Certifying Authorities of the Ministry of Electronics and Information Technology, Government of India at www.cca.gov.in
3. Bids submitted by in person, post, fax, telex, telegram or e-mail shall not be entertained and shall be rejected.

4. The Bid Inviting Authority shall not be responsible for any delays, loss or non-receipt of Bids.
5. If there are delays by the State Government in deactivating the bid submission provision on the e-tender portal, and a bidder is able to upload the documents, the same shall be summarily rejected if the upload time in the software and the system is later than the submission time and date specified in tender notice.
6. The Bid Inviting Authority may, at its discretion, extend the Bid Due Date for all Bidders by issuing an Addendum/Corrigendum, in which case all rights and obligations of the Bid Inviting Authority and the Bidders will thereafter be subject to the Bid Due Date as extended.

Substitution and Withdrawal of Bids:

1. A Bidder may substitute or withdraw its Bids after submission but prior to specified time on the Bid Due Date, provided that a written notice of the substitution or withdrawal is submitted to the Bid Inviting Authority.
2. No Bid may be substituted or withdrawn after the specified time on the Bid Due Date.

Section-VI

Bid Opening and Evaluation

Opening of Bids:

1. The Bid Inviting Authority shall open the bids at the date and time indicated in the Data Sheet.
2. Only authorized representative(s) of the bidder (s) can attend the bid opening.
3. After opening of the Bids by the Bid Inviting Authority, all Bidders whose Bids have been successfully received on the e-procurement portal shall receive a mail notification informing the details such as the Bid has been opened by the official, department and date and time of opening.
4. Once all the Qualifying Bids have been opened online through e-Tendering procedure, they will be evaluated for responsiveness and to determine whether the Bidders will qualify for the opening of the Financial Bids.
5. Financial Bids of only the qualified Bidders will be considered for opening and evaluation on the intimated date. The Financial Bids will be evaluated in the presence of the representatives of the qualified bidders that choose to be present. Representatives of Bidders that have failed to qualify the Technical bid will not be permitted to attend the opening and evaluation of the Financial Bids. However, the results of the Financial Bids of all Bidders shall be available on the e-procurement Portal immediately after the completion of opening process.
6. Bidders are advised that the qualification of Bidders and evaluation of the Bids will be entirely at the discretion of the Bid Inviting Authority. Bidders will be deemed to have understood and agreed that no explanation or justification on any aspect of the Bidding Process or selection will be given.
7. Any information contained in a Bid will not in any manner be construed as binding on the Bid Inviting Authority, its agents, successors or assigns; but will be binding on the Bidder, in the event that the Insurance Contract is subsequently awarded to it on the basis of such information.

Evaluation of Bids and Qualification of Bidders:

Financial Bid Evaluation:

The Bid Application Letters will first be evaluated for responsiveness to the Tender Document. If any Bid is found to have below mentioned errors/omission, then such Bid will be deemed to be substantially non-responsive.

1. Not complete in all respects ; or
2. Not duly signed by the authorized signatory of the Bidder; or
3. Not in the prescribed formats; or
4. Contain material deviations or reservations,

For the avoidance of doubt, a "material deviation or reservation" is one that affects in any substantial way, the scope or the terms and conditions of providing the Covers; or limits in any substantial way that is inconsistent with the Tender Documents, the Bid Inviting Authority's rights or the Insurer's obligations under the Insurance Contract; or would affect unfairly the competitive position of other Bidders submitting substantially responsive bids.

1. Bid Inviting Authority may reject/ seek clarifications the bids in case of incomplete information or non-compliance of operational guidelines as Bid Inviting Authority deems fit.
2. The Bid Inviting Authority will evaluate only those Bid Application Letters that are found to be substantially responsive and to determine whether such Bidders satisfy the Eligibility Criteria.
3. In order to determine whether the Bidder satisfies the Eligibility Criteria, the Bid Inviting Authority will examine the documentary evidence of the Bidder's eligibility submitted by the Bidder and any additional information which the Bid Inviting Authority receives from the Bidder upon request by the Bid Inviting Authority.
4. After completion of the evaluation of the responsiveness of the Bid Application Letters and the eligibility of the Bidders, the Bid Inviting Authority will notify the qualified Bidders of the date, time and place of evaluation of the Financial Bids. Such notice may be issued on the date of opening of the Bids, in which case the Financial Bids may be opened either on the same day or on the next working day.
5. The Financial Bids of those Bidders who are not declared as Eligible Bidders will not be opened.

Financial Bid Evaluation:

Upon opening of the Financial Bids of the Empaneled Bidders, they will first be evaluated for responsiveness to the Tender Document. If any Bids found to have below mentioned errors/omission, then such Bid will be deemed to be substantially non-responsive.

1. Not complete in all respects; or
2. Not duly signed by the authorized signatory of the Bidder; or
3. Not in the prescribed format; or
4. Non-uploading of excel sheet containing the premium quoted upto 2 decimal points.
5. To contain any material deviations or reservations, (a material deviation or reservation shall have the meaning as cribbed to it in clauses above).
6. A substantially non responsive Financial Bid shall be rejected outright. The Bid Inviting Authority will only evaluate Financial Bids of those Qualified Bidders that have been found to be substantially responsive.
7. Once the Financial Bids of the Qualified Bidders have been opened and evaluated for substantial responsiveness:
8. The Bid Inviting Authority shall announce the bidders who have qualified the technical bid/ bid application letter responsiveness on the day the financial bid is opened. The Bid Inviting Authority shall also notify the

- unqualified bidders that their financial bid shall not be evaluated further.
9. On the day of opening the Financial Bid, the Bid Inviting Authority shall evaluate and tabulate the Crop-wise District-wise Premium rate quoted by each qualified Bidder that has submitted substantially responsive Financial Bid.
 10. In the course of tabulation, the Bid Inviting Authority shall check for arithmetical errors in each Financial Bid being evaluated. If any arithmetical errors are found, then they shall be rectified as follows:
 - a. If there is a discrepancy between words and figures in any or all of the premiums quoted, then the amount in words shall prevail.
 - b. The Bid Inviting Authority shall calculate the Weighted Average Premium Rate (against all the 3 models) on the basis of rates quoted by the qualified bidders for each cluster and the actual acreage/Sum Insured value during immediate past season. The detailed format and method of calculating WAP is given in Annexure-J.
 - c. The Bid Inviting Authority shall rank the Qualified Bidders based on cluster wise Weighted Average Premium rate as L1, L2, L3 and so on against each Model. The L1 is the bidder with the lowest quoted Weighted Average Premium rate and shall be termed as the Successful Bidder for each model. However, choosing of the model is at the discretion of the State Govt after evaluation at Cluster/State level.
 - d. In a scenario where the premium quoted by the lowest bidder does not match the requirement of the Bid Inviting Authority, the Govt shall have the right to call fresh tenders for short duration.

Clarification on Bids:

1. In evaluating the technical Bid, the Bid Inviting Authority may seek clarifications from the Bidders regarding the information in the Bid Application Letter by making a request to the Bidder. The request for clarification and the response shall be in writing. Such response (s) shall be provided by the Bidder to the Bid Inviting Authority within the time specified by the Bid Inviting Authority for this purpose.
2. If a Bidder does not provide clarifications sought by the Bid Inviting Authority within the prescribed time, the Bid Inviting Authority may elect to reject its Bid. In the event that the Bid Inviting Authority elects not to reject the Bid, the Bid Inviting Authority may proceed to evaluate the Bid by construing the particulars requiring clarification to the best of its understanding, and the Bidder shall not be allowed to subsequently question such interpretation by the Bid Inviting Authority.
3. The Bid Inviting Authority may not seek any clarifications from the Bidders regarding the information in the Financial Bids. No change in the Premium quoted by the Bidder or any material change to the substance of any Financial Bid shall besought, offered or permitted.

Section-VII
Notification of Award and Execution of Contract

Notification of Award:

1. Upon selecting the Successful Bidder, the Bid Inviting Authority shall send the proposal to the Government for its approval and accordingly, Administrative Approval i.e., notification of award (the NOA) to the Successful Bidder will be issued;
2. Declaring it as the Successful Bidder and the model chosen;
3. Accepting its Financial Bid
4. Requesting it to execute the Insurance Contract and to fulfil the conditions precedent to execution

Within 3 days of receiving the Administrative approval, the Bidder declared as the Successful Bidder shall:

1. Sign and return 1 original copy of the NOA to the Bid Inviting Authority as acceptance of the terms of the Tender Document and Insurance Contract issued by the Bid Inviting Authority.
2. If the Bidder that is issued the NOA does not comply with the above conditions; the Bid Inviting Authority may elect to grant such Bidder an extension of time for the completion of such condition(s) or to disqualify the Bidder selected as the Successful Bidder for participation in the re-bid and bids for next 2 Years.

If the Bid Inviting Authority elects to disqualify such Bidder, then the Bid Inviting Authority may:

1. Ask the L2 bidder to agree to match the premium quoted by L1 bidder and so on.
2. In case no bidder agrees to match the premium rates quoted by the L1 bidder, the Bid Inviting Authority may cancel the Tender Document and re-invite the bids by giving suitable time to submit the bids. The Penalty clauses, as laid down in the Operational Guidelines are applicable in this scenario.

Execution of the Contract:

1. The Bid Inviting Authority shall, before the date specified in the Bid Schedule for the execution of the Insurance Contract, provide the Successful Bidder with the final execution draft of the Insurance Contract.
2. The Bid Inviting Authority and the Successful Bidder shall execute the Insurance Contract on the date specified in the Bid Schedule or such other date notified by the Bid Inviting Authority.

3. The Bid Inviting Authority shall not entertain any request from the Successful Bidder for negotiations of or deviations to the final execution draft of the Insurance Contract provided by the Successful Bidder shall execute the Insurance Contract published by the Bid Inviting Authority.
4. If the Successful Bidder seeks to materially negotiate or seeks any material deviations from the final execution draft of the Insurance Contract, the Bid Inviting Authority may elect to disqualify the Successful Bidder and revoke the NOA issued to the Successful Bidder. If the Bid Inviting Authority elects to disqualify such Bidder and revoke the NOA, the bidder will be barred from participating in there-bid and bids for next 3 years in the state.
